

# Parks & Recreation Officer

Parks and Recreation employees are government workers who strive to protect the environment and enhance the quality of life for people in their communities, operating recreation centers and creating low-cost or free options to enjoy the outdoors. As a Parks and Recreation Officer, you will manage the overall land quality of forests, parks, range lands, and other natural resources owned by the government.

Other job titles include: Environmental Education Specialist, Naturalist, Park Ranger.

## Education & Training

Most of these occupations require a four-year bachelor's degree, but some do not.
