MILLWRIGHT // LOGGER // SAWFILER // WELDER

A large stack of logs is in the foreground, with a sawmill visible in the background. The image is dark and grainy, with a bright green horizontal bar running across the middle.

The Forest Workforce Training Institute (FWTI) was formed in 2018 to administer a workforce development program for the forest industry. First implemented in Alabama and now operating in states across the South, ForestryWorks® was developed to create a pipeline of workers for the forest industry by promoting forestry careers and facilitating training needed to qualify for those jobs.

WE BELIEVE THAT  
FORESTRY EDUCATION IS  
FOREST WORKFORCE  
DEVELOPMENT.

## TINY TIMBER CREW SERIES™

---

A children's book series written for grades kindergarten to third grade to educate young students about the sustainable forest industry and its people.

## FORESTRY FIELD DAYS

---

Field trips planned by FWTI staff & partners to allow students to experience the environment forestry and forest products professionals work in every day.

## FORESTRY EDUCATION

---

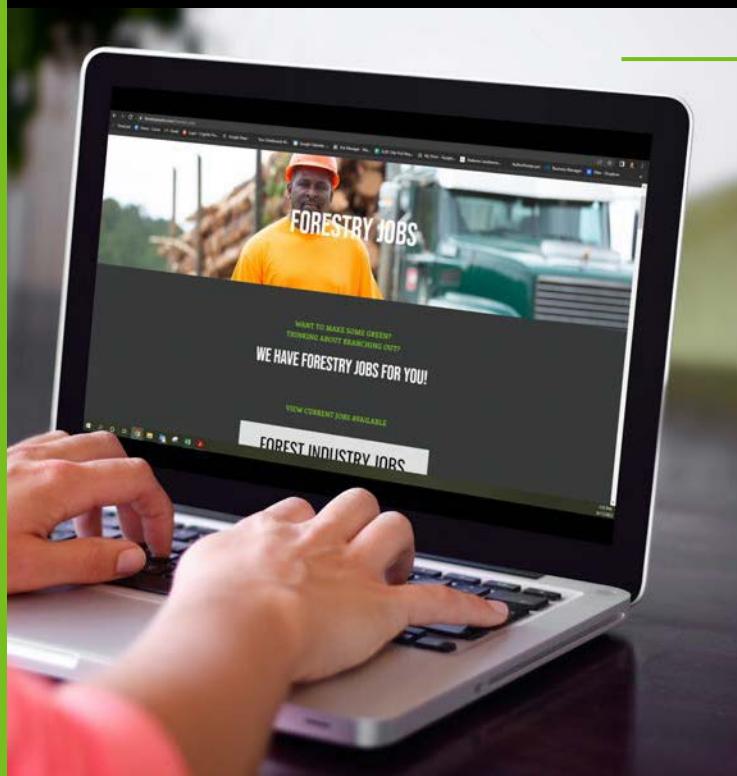

FWTI Staff and partners work with educational groups to educate teachers and students about forestry through programs such as Teacher Conservation Workshops, Future Farmers of America, and 4-H.

PROMOTING CAREERS IN  
FORESTRY BY MEETING  
FUTURE WORKERS WHERE  
THEY ARE.

## DIGITAL MARKETING & ONLINE RECRUITING

Digital media directs viewers to

A SKILLED WORKFORCE IS  
ESSENTIAL FOR SAFE,  
EFFICIENT OPERATIONS AND A  
GROWING FOREST INDUSTRY.

ForestryWorks® training programs began in Alabama with a focus on training logging equipment operators and continue to expand and evolve as industry needs change.

## TRAINING AREAS

safety training  
truck driver training  
professional development  
high school forest worker program  
logging equipment operator training  
forest maintenance tech program

# WILDLIFE BIOLOGIST // ENGINEER // MECHANIC

A woman in a blue shirt and orange pants is working in a forest. She is holding a shovel in her right hand and a small tree sapling in her left hand. She is wearing a blue bandana and a blue vest. She is standing in a field of fallen trees and branches.

GROW  
WITH  
US.
