

# Welder

As a welder in the forest industry, you'll work in a fast-paced environment where fixing broken equipment or machines may require immediate action. Welding requires physical stamina, manual dexterity, and attention to detail as you cut and join metal pieces. Some welders may also operate pre-set welding, brazing, and soldering equipment.

Other job titles include: Fabrication Welder, Solderer, TIG Welder, Maintenance Welder.

## Education & Training

These occupations usually require a high school diploma. A short certificate or associates degree from a Community College is preferred.

## Salary

**National Average Salary**

**\$35,380 - \$68,750**

**National Hourly Wage**
